Alcumus reserves the right to undertake maintenance or emergency works to the Systems from time to time and where the need arises, suspend or close the Contractor's access to the Systems.
- 4.13 Alcumus does not provide any guarantee as to the accuracy of the materials and content included on the Systems from time to time, and is under no obligation to ensure such materials are up to date.

- 5.3 Once the Application is received by Alcumus (subject always to clause 5.2) it is then verified against the Verification Standards in accordance with the timescales set out in the relevant Services Package. At any time during the Application, the Contractor may upgrade to a different Services Package by paying the appropriate Charges to Alcumus.
- 5.4 Where the Contractor fails to submit an application for Verification within 90 days of the date of: (i) achieving Membership Status where the Contractor already holds the SafeContractor Accreditation; or (ii) achieving the SafeContractor Accreditation where the Contractor does not already hold the SafeContractor Accreditation, Alcumus shall undertake the verification process based on information previously provided by the Contractor and information readily available in the public domain. In order to ensure the Verification process is as accurate as possible, the Contractor is encouraged to submit its Application promptly after achieving the SafeContractor Accreditation. For the avoidance of doubt, Alcumus reserves the right to extend the 90 day period referred to in this clause 5.4 where it would be reasonable to do so in light of the Contractor's SafeContractor Accreditation renewal date (and the Contractor shall be notified in this case).
- 5.5 All information submitted as part of an Application must be in English. Alcumus reserves the right to reject any information submitted in another language. For the avoidance of doubt, where the Contractor is unable to provide a copy of a particular document requested by Alcumus in the Questionnaire, Alcumus shall record in the Verification that no such document was provided.
- 5.6 The purpose of the verification process is to determine the organisational capability of the Contractor and not that of any third party consultant. It is acknowledged that where relevant expertise is not available to the Contractor internally, external advice may be sought however, this advice must be assimilated into the Contractor's business operations. Alcumus reserves the right to refuse an Application submitted by a third party consultant, which may result in the Contractor being removed from the SafePQQ Scheme and/or the SafeContractor Scheme and losing its Membership Status.
- 5.7 The verification process is intended to encourage and support the Contractor throughout, however, this is subject to any specific response timescales relating to the SafePQQ Scheme as set out in the Services Packages.
- 5.8 Where an Application is incomplete, feedback shall be provided to the Contractor identifying areas of non-conformance, together with recommendations of actions required to achieve Verification. Where a complete Application is not submitted within the timescales specified in clause 5.4, Alcumus may undertake the Verification process in the absence of a completed Application.
- 5.9 The Verification Standards are set by Alcumus' technical verification team in conjunction with external specialists and Clients (where deemed appropriate). A full technical review is undertaken every six months, and Alcumus reserves the right to amend the Verification Standards at any time to ensure that the Verification Standards remain appropriate, continue to meet legislative and industry best practice requirements, and reflect Client needs.
- 5.10 On renewal of any Verification, the Contractor will be verified against the then current Verification Standards.
- 5.11 Verification is awarded on the date that the assessor is satisfied that the Verification Standards have been met in accordance with this clause 5 ("Verification Date"). Subject to clause 8.1 and clause 5.12, Verification is valid for a 12 month period from the Verification Date.
- 5.12 During the Initial Term, Verification may be valid for a period of less than 12 months (in the event that the Initial Term is a lesser pro rata term which expires on the date that the Contractor's current SafeContractor Membership expires). In such a case, Verification in any subsequent Additional Terms will be valid for a full 12 month period (subject always to the Contractor maintaining its SafeContractor Accreditation).
- 5.13 It remains the Contractor's responsibility to ensure ongoing compliance with the Verification Standards throughout the period of Verification, and Alcumus reserves the right to undertake ongoing or spot check compliance monitoring. Failure to ensure ongoing compliance may result in the Verification being removed.
- 5.14 Alcumus reserves the right to re-verify the Contractor at any time during the period of Verification. Where the parties agree that Alcumus will undertake a re-Verification at the Contractor's request (for example because the Contractor's circumstances have changed or where the Contractor is able to submit new documents for Verification), Alcumus reserves the right to charge the Contractor additional charges for such re-Verification.
- 5.15 Alcumus reserves the right to undertake a financial assessment of the Contractor to ascertain financial stability. As part of this financial assessment, Alcumus shall undertake a credit reference check via a third party supplier. The credit reference check shall allow Alcumus to obtain the following information:
- 5.15.1 public data on the Contractor's personal credit behaviour;
- 5.15.2 information on the conduct of the Contractor's personal credit accounts;
- 5.15.3 information on the financial stability and credit worthiness of the Contractor, and any credit reference check made on behalf of Alcumus shall place an enquiry search on the personal credit files of any director/owner of the Contractor that has been searched. These enquiry searches shall not be visible to other organisations if there is a third party credit search against the Contractor or the relevant director/owner of the Contractor in the future. In accepting these Conditions, the Contractor authorises Alcumus to undertake the financial assessment and credit reference check outlined above.
- 5.16 The Contractor warrants to Alcumus that:
- 5.16.1 all information and supporting documents provided to Alcumus (whether during the Application process or otherwise) are true, complete and accurate;
- 5.16.2 all information that is material to the Verification has been provided;
- 5.16.3 all information is provided with the full authority and consent of the Contractor (or relevant employee(s), where applicable), and Alcumus shall not be liable to the Contractor or any third party reliant on any information supplied by the Contractor which proves to be incorrect or fraudulent or in breach of the above warranties.
- 6 VERIFICATION**
- 6.1 Inclusion onto the Approved List is at the sole discretion of Alcumus and is dependent on, but not exclusively, achievement of the Verification Standards.
- 6.2 Inclusion onto the Approved List does not in any way constitute or guarantee tenders or offers of work.
- 6.3 Access to the Systems is controlled and secured by individual passwords and Alcumus reserves the right to withdraw this access at any time.
- 6.4 The Contractor shall only be entitled to use the Verification Logo during any period that it is a Verified Member. If at any point the Verification or Membership Status expires or is withdrawn, the Contractor shall immediately cease to use the Verification Logo. Where the Contractor fails to comply with the Verification Logo usage rules, or falsely passes itself off as holding Verification, this may result in legal action or immediate termination of this Contract by Alcumus.
- 6.5 The Contractor shall promptly notify Alcumus of any information that may impact its Application or Verification, including but not limited to:
- 6.5.1 details of any enforcement action, including statutory notices, informal written notices and prosecutions;
- 6.5.2 any civil action associated with health and safety incidences;
- 6.5.3 major accidents;
- 6.5.4 any significant new work activities undertaken;
- 6.5.5 changes to insurance policies including withdrawals, cancellations or avoidance (and in respect of professional indemnity insurance, the Contractor shall advise Alcumus immediately of any changes in the number of claims that can be made against the policy or changes in excesses);
- 6.5.6 any complaints about health and safety and/or environmental performance; and
- 6.5.7 any changes to the financial standing of the Contractor including where the events set out in clause 15.4.2 and clause 15.4.3 apply or are likely to apply;
- 6.5.8 any act or occurrence or information which the Contractor, acting reasonably, believes may impact their Membership Status, Application and/or Verification; and
- 6.5.9 any breach of clause 8.1.
- 6.6 Alcumus reserves the right to modify, adjust, suspend or cancel a Verification (without refund) upon receipt of additional relevant information (from any source) that may be seen to affect the Verification, and reserves the right to charge additional fees for re-verifying an Application or reviewing a new Application following receipt of additional information (provided this would always be agreed in advance with the Contractor).
- 6.7 Access onto a specific Approved List is at the sole discretion of the Client, and at the Client's request, Alcumus has the discretion to perform any of the following functions:
- 6.7.1 refuse the Contractor access to an Approved List;
- 6.7.2 suspend the Contractor's access to an Approved List;
- 6.7.3 remove the Contractor from an Approved List;
- 6.7.4 limit the total number of contractors on an Approved List;
- 6.7.5 set specific criteria for inclusion on an Approved List; and/or
- 6.7.6 close any Approved List,
- and Alcumus shall not be under any obligation to inform the Contractor of the Client's decision to enforce any of the stipulations set out above.
- 7 VERIFICATION RENEWALS**
- 7.1 Membership Status shall be renewable on an annual basis. The annual Membership Status renewal date shall be the date on which the Contractor's SafeContractor Membership renews and for the avoidance of doubt, Membership Status shall be subject always to the Contractor maintaining SafeContractor Membership. If payment of the Charges is not received by this date, Alcumus reserves the right to suspend visibility of the Contractor from the Systems, withdraw or suspend any Verification and/or right to use the Verification Logo, and cease to conduct any assessment activity until payment is received in full and clear funds.
- 7.2 Verification shall be renewable on an annual basis, subject to the Contractor continuing to hold the SafeContractor Accreditation, and to the Contractor submitting all required documents to Alcumus. Alcumus will carry out an annual review on the expiry of the Initial Term and subsequent Additional Terms, to ensure that the Contractor maintains compliance with the Verification Standards. Upon satisfactory re-Verification, the Verification will be extended for a period that aligns to the Contractor's SafeContractor Accreditation and a new certificate shall be issued to the Contractor.
- 8 REMOVALS**
- 8.1 The Contractor's failure to comply with any of the following may result in the Contractor's removal or suspension from the SafePQQ Scheme:
- 8.1.1 maintain the same level of insurance as at the time of Verification (or upgrade), and notify Alcumus of the same;
- 8.1.2 provide updated insurance documents to support an Application for renewal;
- 8.1.3 provide all information in clear and legible form, and in the English language;

- 8.1.4 pay all Charges on time;
- 8.1.5 ensure that falsified or fraudulent documentation or information is not provided as part of any Application;
- 8.1.6 comply with all relevant and applicable laws relating to the registration and Verification process;
- 8.1.7 notify Alcumus of any of the information required under clause 6.5; and/or
- 8.1.8 comply with all applicable legislation, not be found guilty of a criminal offence, and not carry out any act or omission which may bring Alcumus, the SafePQQ Scheme and/or the SafeContractor Scheme into disrepute.
- 8.2 Where the Contractor fails to provide full details in its Application or where Alcumus verifies the Contractor in accordance with clause 5.4 in the absence of an Application, Alcumus may provide reasons for this (together with any evidence) to the Client.
- 8.3 Alcumus reserves the right to suspend or remove the Contractor from the SafePQQ Scheme, without refund, should it be deemed necessary to protect the SafePQQ Scheme, the Contractor or the Client. This shall include circumstances where the Contractor has been suspended or removed from the Alcumus SafeContractor Scheme, if applicable.
- 8.4 Where the Contractor is suspended or removed from the SafePQQ Scheme, Alcumus reserves the right to state a time frame within which new Applications may not be submitted.
- 8.5 Alcumus reserves the right to remove the Contractor from the SafeContractor Scheme where the Contractor is removed from the SafePQQ Scheme in accordance with the provisions of this clause 8.
- 9 RESERVATION OF TITLE**
- 9.1 Title to the Systems shall remain vested in Alcumus at all times.
- 9.2 Alcumus shall be entitled to remove access to any Systems at any time (including but not limited upon termination of the Contract).
- 10 DATA PROTECTION**
- 10.1 In this clause 10:
- 10.1.1 'personal data', 'data controller', 'data processor', 'data subject' and 'process' or 'processing' each have the same meaning as used in the Data Protection Laws;
- 10.1.2 "Contractor Personal Data" means any and all personal data which is provided by or on behalf of the Contractor to Alcumus or which is otherwise processed by Alcumus as a result of or in connection with the provision of the Services and for which the Contractor is the data controller, as specifically identified in Appendix 2;
- 10.1.3 "Data Protection Laws" means the Data Protection Act 2018, Data Protection Directive (95/46/EC), the Privacy and Electronic Communications (EC Directive) Regulations 2003, Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (commonly known as the "GDPR"), together with any and all other laws, regulations or other statutory instruments relating to the protection of personal data applicable to Alcumus and/or the Contractor in any relevant jurisdiction.
- 10.2 The parties agree that, with respect to the parties' rights and obligations under this Contract and with respect to any Contractor Personal Data, the Contractor is the data controller and Alcumus is the data processor and that, in circumstances where Alcumus processes personal data on behalf of the Contractor, Alcumus in each case shall comply with the requirements of this clause 10.
- 10.3 The parties have agreed that the description of the processing is as set out in Appendix 2.
- 10.4 Alcumus shall:
- 10.4.1 only process any Contractor Personal Data for the purposes of providing the Services (and for no other purpose whatsoever) and only in accordance with the Contractor's written instructions from time to time;
- 10.4.2 process Contractor Personal Data other than in accordance with clause 10.4.1 only if required to do so by law, in which case Alcumus shall inform the Contractor of the relevant legal requirement before processing (unless that legal requirement prohibits such information being provided to the Contractor on the grounds of public interest);
- 10.4.3 ensure that access to the Contractor Personal Data is strictly limited to persons who need access to it as strictly necessary to perform the Services and that all such persons are informed of the confidential nature of the Contractor Personal Data and are subject to contractual or statutory obligations of confidentiality;
- 10.4.4 keep appropriate records of all processing activity carried out by Alcumus in accordance with this Contract;
- 10.4.5 implement appropriate technical and organisational measures to protect the Contractor Personal Data (ensuring in each case a level of security appropriate to the risk) against unauthorised or unlawful processing or accidental loss or damage;
- 10.4.6 not transfer the Contractor Personal Data to countries outside the European Economic Area ("EEA") without Contractor's prior written authorisation;

- 10.4.8 assist the Contractor in meeting the Contractor's obligations under the Data Protection Laws with respect to data security, breach notification, data protection impact assessments and prior consultation with or notification to a competent data protection supervisory authority;
- 10.4.9 not permit any processing of the Contractor Personal Data by any agent, sub-contractor, supplier or other third party ("sub-processor") without the prior written authorisation of the Contractor in each case, and shall ensure in each case that prior to the sub-processor processing any Contractor Personal Data, terms equivalent to this clause 10 are included in a written contract between Alcumus and any sub-processor engaged in the processing of Contractor Personal Data;
- 10.4.10 on termination of this Contract, at the Contractor's option either return to the Contractor all Contractor Personal Data and copies of it or, at the Contractor's written request, destroy the Contractor Personal Data; and
- 10.4.11 at the reasonable request of the Contractor, make available to the Contractor all information necessary to demonstrate Alcumus' (and any sub-processor's) compliance with this clause 10 and permit the Contractor and its representatives to inspect and audit that Alcumus is complying with this clause 10. Alcumus shall notify the Contractor as soon as is reasonably practicable if Alcumus reasonably believes an instruction from the Contractor in accordance with this clause 10.4.11 breaches (or could cause either party to breach) the Data Protection Laws.
- 10.5 Without prejudice to clause 10.4.9, the Contractor acknowledges that the signing of this Contract acts as authorisation (as required by clause 10.4.9) for the appointment of the sub-processors set out in Appendix 2.
- 10.6 The Contractor is solely responsible for establishing the lawful basis for the processing of Contractor Personal Data by Alcumus under this Contract, including where applicable the obtaining of all necessary consents from data subjects, and shall notify Alcumus on request of the applicable lawful basis for any processing Alcumus is required to perform.
- 10.7 Subject to clause 12, Alcumus shall indemnify and keep indemnified the Contractor in full and hold it harmless on demand from and against any claims, losses, costs, fines or damages suffered or incurred by the Contractor or for which the Contractor may become liable arising out of or in connection with this clause 10 by Alcumus.
- 10.8 The Contractor shall indemnify and keep indemnified Alcumus in full and hold it harmless on demand from and against any claims, losses, costs, fines or damages suffered or incurred by Alcumus or for which Alcumus may become liable arising out of or in connection with any breach of this clause 10 by the Contractor.
- 10.9 As part of the Services, Alcumus shall make Contractor Personal Data available to Clients.
- 11 INTELLECTUAL PROPERTY**
- 11.1 Alcumus shall retain all IP relating to the Services and in any and all Documents, the Systems, any other systems, methods, material and items created by or on behalf of Alcumus whether specifically for the purposes of the Contract or otherwise.
- 11.2 If a third party owns any Systems, or part thereof, such third party shall (if applicable) retain all IP relating to the Systems.
- 11.3 Alcumus hereby grants the Contractor a royalty-free, non-exclusive and revocable licence to use the Systems for the sole purpose of receiving the Services for the duration of the Term.
- 11.4 Alcumus hereby grants the Contractor a royalty free, non-exclusive and revocable licence to use the Verification Logo for the duration that the Contractor is a Verified Member during the Term.
- 11.5 The Contractor hereby acknowledges that Alcumus shall have no liability for any misuse by or on behalf of the Contractor, or any other person, of any of the Documents (which shall be determined by reference to the purposes for which the Documents were originally prepared), the Verification Logo or any other deliverables generated during the provision of the Services.
- 11.6 The Contractor hereby grants Alcumus a royalty-free, non-exclusive and irrevocable licence to copy and use any Documents provided by the Contractor for all reasonable purposes related to the Services and to make such Documents available to the Client upon request by the Client (whether via the Systems or via other electronic or hard copy format).
- 11.7 The Contractor shall not use the Systems, Documents or any deliverables resulting from the Services for any purpose whatsoever other than as necessary to receive the Services.
- 11.8 The Contractor hereby agrees to fully indemnify and hold Alcumus harmless in respect of any third party claims brought against Alcumus as a result of or relating to the use of any IP provided by the Contractor to Alcumus under the Contract.
- 11.9 The Contractor shall not be entitled to rely on the content of the Documents, or any other deliverables or information provided by Alcumus during the Contract outside of the Term of the Contract or for any reason during the Term other than for its own usual business purposes and/or the purpose for which they were originally provided. Alcumus accepts no liability for use of the Documents and any other information provided to the Contractor other than during the Term.
- 11.10 For the avoidance of doubt, the Contractor shall not be entitled to sell, derive any commercial benefit or otherwise provide the benefit of Documents or other information and/or deliverables provided by Alcumus to the Contractor or via the Systems to any third party.
- 11.11 In the event that there is an actual, alleged or threatened breach of any third party's intellectual property rights arising out of the Contractor's use of the Systems, Alcumus may procure the right for the Contractor to continue using the Systems, replace or modify the Systems so that they become non-infringing or, if such remedies are not reasonably available, withdraw the Contractor's access to the Systems without any additional liability or obligation to pay liquidated damages or other additional costs to the Contractor.
- 12 LIMITATION OF LIABILITY AND REMEDIES**
- 12.1 **Subject to clause 12.3 and notwithstanding clause 12.2, Alcumus' maximum total liability under or arising out of or in connection with the Contract will not exceed the sum which is twice the total value of the Charges paid by the Contractor in the year during which the claim arose or such pro-rated amount should the claim arise in the first year of trading.**
- 12.2 **Subject to clause 12.3, Alcumus will not in any circumstances have any liability (whether direct or indirect) for: (i) loss of business or business opportunity; (ii) loss of revenue; (iii) loss of profits; (iv) loss of anticipated savings; (v) loss of or damage to data; (vi) loss of goodwill or injury to reputation; (vii) any third party claims; (viii) loss which could have been avoided by the Contractor through reasonable conduct or by the Contractor taking reasonable precautions; (ix) loss due to the Systems' downtime for maintenance or in the case of emergencies; (x) any consequential or indirect loss; or (xi) any loss arising as a result of any breach by the Contractor of the warranties in clause 5.16. The Contractor is strongly advised to insure against all such potential loss, damage, expense or liability.**
- 12.3 Nothing in the Contract seeks to exclude or limit any liability of Alcumus for death or personal injury caused by its negligence or for its fraudulent misrepresentation.
- 12.4 The Contractor hereby acknowledges and agrees that the limitations of liability referred to in clause 12.1 and 12.2 are fair and reasonable, reflected in the level of the Charges and the insurance cover carried by Alcumus, and are just and equitable having full regards to the extent of Alcumus' responsibility for any loss or damage suffered.
- 12.5 Save as required by law and save as may otherwise be set out in the Contract, Alcumus disclaims and the Contractor waives all other warranties, express or implied, with respect to the Services, arising by law or otherwise, including, without limitation, any implied warranty of satisfactory quality, fitness for a particular purpose and any obligation, liability, right, remedy or claim in tort.
- 12.6 Save as required by law, the Contractor's exclusive remedy for any default or defect in the performance of the Services by Alcumus shall be to correct and/or re-perform any such defective Services by Alcumus. If it is not economical or technically feasible for Alcumus to correct and/or re-perform the defect, then the Contractor's exclusive remedy shall be a full or partial credit of sums paid for the defective Service(s) (subject always to the other provisions of this clause 12).
- 13 CONFIDENTIAL INFORMATION**
- 13.1 Each party shall keep in strict confidence and treat the other party's Confidential Information as confidential and to use it only for the purposes of the Contract except in so far as may be necessary for the performance of any obligations of the Contractor or to the extent that such information is generally available to the public or to the extent that disclosure of information is required to be made by law.
- 13.2 Each party agrees that this obligation shall continue in force without limitation in point of time notwithstanding the termination or expiry of the Contract for any reason but shall cease to apply to information from the point at which it enters into the public domain and shall also cease to apply to information which is received independently from another source without the imposition of any duty of confidence.
- 14 FORCE MAJEURE**
- Neither party shall have any liability to the other party if it is prevented from, or delayed in performing, its obligations under the Contract, or from carrying on its business by any event(s) or combination of events where such event(s) arises from, or is attributable to acts, events, omissions or accidents beyond the reasonable control of the relevant party including, but not limited to, acts of God, terrorism, war or flood ("**Force Majeure Event**"). In such circumstances the time for performance shall be extended by a period equivalent to the period during which performance of the obligation has been delayed or failed to be performed due to the Force Majeure Event.
- 15 SUMMARY TERMINATION**
- 15.1 The Contract shall remain in force for the Initial Term, and unless terminated in accordance with the provisions of this clause 15 and subject to the Contractor maintaining Membership Status, the SafeContractor Verification shall continue for further Additional Terms, unless terminated in accordance with the provisions of this clause 15.

- 15.4 Either party may terminate the Contract forthwith by notice to the other party without liability to such party if:

- 15.4.2 the other party has had a trustee, receiver, administrative receiver or similar official appointed over a material part of its business or assets; or an order has been made or a resolution passed for the other party's winding up (otherwise than for the purpose of a bona fide scheme of arrangement or solvent amalgamation or reconstruction) or an administration order has been made; or a proposal has been made in respect of the other party for a voluntary arrangement within Part 1 of the Insolvency Act 1986 or for any other composition scheme of arrangement with (or assignment for the benefit of) its creditors; or the other party ceases to trade or is unable to pay its debts as and when they fall due; or any other analogous event occurs in any other jurisdiction;
- 15.4.3 the other party ceases or threatens to cease trading; or
- 15.4.4 the other party fails to make any payment in accordance with the terms of the Contract.
- 15.5 Alcumus may terminate the Contract immediately forthwith by notice to the Contractor without liability if the Contractor fails to comply with any of the obligations in clause 8.1.
- 15.6 Upon termination of the Contract howsoever occurring:

- 15.6.4 the Contractor shall return to Alcumus the Verification Logo; and
- 15.6.5 the Contractor shall remain liable to pay Alcumus any Charges outstanding and for any Services already performed prior to the date of termination.
- 15.7 Termination of the Contract for any reason shall be without prejudice to any rights of either party which may have accrued up to the date of termination.
- 15.8 Clauses 9, 10.2, 11, 12, 13, 15.6, 15.8 and 16 shall survive termination.
- 16 MISCELLANEOUS**
- 16.1 The Contract contains the entire understanding between the parties in connection with the matters herein contained and supersedes any previous agreements statements or undertakings (whether written, oral or implied) relating to the subject matter of the Contract. The parties acknowledge that in entering into the Contract neither has relied on any oral or written representation or undertaking by the other except as expressly incorporated in the Contract. Nothing in this clause 16.1 will exclude any liability in respect of misrepresentations made fraudulently.
- 16.2 A waiver by either party of any right under the Contract, or of any failure to perform or breach hereof by either party, shall not constitute or be deemed to be a waiver of any other or future right hereunder or of any other failure to perform or breach hereof, whether of a similar or dissimilar nature.
- 16.3 No variation of the Contract shall be valid unless it is in writing, documented and signed by or on behalf of a duly authorised representative of each of the parties.
- 16.4 For the purposes of the Contract, Alcumus shall be an independent contractor, and neither Alcumus nor its sub-contractors nor its directors or employees nor any one of them, shall be deemed to be an employee or agent of or a partner with the Contractor.
- 16.5 The Contractor shall not assign the Contract in whole or in part without the prior approval of Alcumus (such approval not to be unreasonably withheld or delayed). Alcumus shall be entitled to assign the Contract in whole or in part at any time without consent.
- 16.6 A person who is not a party to the Contract shall not have any rights under or in connection with it.
- 16.7 Both parties shall comply, and shall ensure that each of their subcontractors, agents and personnel comply, with any relevant and applicable anti-bribery and corruption laws, regulations and/or directives related to the provision and receipt of the Services.
- 16.8 The Contractor warrants and represents to Alcumus that it complies with the Bribery Act 2010 and that it has not and shall not, in connection with the Services contemplated by the Contract or in connection with any other business transactions involving Alcumus, make, promise or offer to make any payment or transfer of anything of value, directly or indirectly: (i) to any government official (as defined below) or to an intermediary for payment to any government official, or (ii) to any political party for the purpose of influencing any act or decision of such official or securing an improper advantage to assist Alcumus in obtaining or retaining business. It is the intent of the parties that no payments or transfers of value shall be made which have the purpose or effect of public or commercial bribery, acceptance of or acquiescence in extortion, kickbacks or other unlawful or improper means of obtaining business. "Government official" is defined as any employee or officer of a government of a country, including any regional or local department, company or business owned or controlled by such government, any official of a political party, any official or employee of a public international organisation, any person acting in an official capacity for, or on behalf of, such entities, and any candidate for political office. Failure by the Contractor to comply with this clause shall constitute a material breach of the Contract.
- 16.9 The Contractor agrees that it will not at any time during the Term or for 6 months thereafter, without the prior written consent of Alcumus, directly or indirectly solicit, induce or entice away from Alcumus or employ, engage or appoint in any way cause to be employed, engaged or appointed any employee, agent or sub-contractor of Alcumus to perform services substantially similar to the Services.
- 16.10 Any notice under the Contract must be given in writing to the addresses specified by the parties from time to time, and if no address is given, the registered office of such party. Any such notices shall be effective if delivered by recorded delivery (delivery deemed to have taken place at the date and time recorded).
- 16.11 Each provision of the Contract is severable and distinct from the others and if any provision is or at any time becomes to any extent or in any circumstances invalid, illegal or unenforceable for any reason, it shall to that extent or in those circumstances be deemed not to form part of the Contract, but the validity, legality and enforceability of all other provision of the Contract shall not otherwise be affected or impaired, it being the parties intention that every provision of the Contract shall be and remain valid and enforceable to the fullest extent permitted by law.
- 16.12 In performing its obligations under the Contract, each party shall procure (and shall procure that each member of its Group) complies with the terms of the Modern Slavery Act 2015.
